Moyenzabitah Charges for Fusly 1226 and those Estimated for Madura Ramnad and Dindigul

Explanations and Remarks

This Increase is caused by the alterations made in the Pay ~~of few~~ of the Sherestahs Gomastahs, Cash Keepers Dept., English Record Keeper & Roysoms ~~which the Collector thought absolutely necessary~~ from a consideration of the Numerous duties they have to perform (exclusive of their being constantly required to attend on the Collector in his yearly Circuit) & their length of Services which ~~calls forth~~ for ~~this indulgence &~~ which it is hoped will be sanctioned by the Board together with the increased establisht. of 3 Sherestadars Gomastahs 1 Shroff Gomastah 1 Moochee & 1 Gollah Peon additionally required in those Departts.

Decrease is owing to the incorporation of Valiaputty in the Talook of Nuttom & Malacotta, Nadoocotta & Keelacotta in the Talook of Mandacolam in the present fusly year whereby the establisht. of Servants formerly employed have been abolished with the exception of a few of the Servants included in the establisht. of those Talooks-

ecrease is owing to the Causes abovestated

Increase is owing to the Pay of a Gomastah Seekaujee Row ~~in~~ in the Hoozoor having been augmented from 4 to 5 Pagodas p month

Explanations and Remarks

This small increase is caused by excluding the difference of Mercals & Measures of the Salt Manufactured in last fusly & Estimating it on the quantity of Garce only.

This increase is owing to estimating for the repairs for Salt Pans Charges for heaping Spontaneous Salt & repairs of the Salt Head Cutcherry ~~required~~ in the present fusly year.

Increase is owing to the Pay of the Choukydar of Madura Cusbah having been augmented from 5 to 8 Pagodas pr Month from a consideration of his exertions in having increased the Collections of his Choukey.

Increase is owing to the following Charges being estimated in the present fusly year Viz.

Moyenzabitah Charges for Fusly 1227 and those Estimated for
nad and Dindigul –

Explanations & Remarks

This Increase is caused by augmenting the Pay of the Head Sherestadar
@ 70 MRs per month as per scale of allowance established by the
Board of Revenue & Confirmed by Government under date the
29 March 1816 –

Decrease is Owing to Five Talook Cutcherries being reduced into three
in the present fusly year, whereby the former Establishment of
Servants were decreased and increased allowances made to the
Tahsildars agreeably to the orders received from the Board of Revt

Increase is Owing to the Pay of 10 additional Peons employed in the
Head Cutcherry of the Salt Depart in this fusly for the purpose of Con
veying orders from the Amildar to the several Sumperdies of the Salt
Pans & to prevent the Servants from committing any Mal-practices in the
Sale of Salt
